Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks. In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

RIO DE LOS ANGELES – TAYLOR YARDS

- *OK to take still photos at Rio De Los Angeles – Taylor Yards.*
- *MUST park all vehicles legally inside the parking lot.*
- *OK to have DSLR equipment on site.*
- *OK to have a step ladder on site, but must ensure that ladder does not obstruct any activities in the park at all times. Must also ensure that ladder does **not** dig into park grounds at all times.*
- *MUST work around all existing activities and programs inside the park at all times.*
- *MUST stay clear of all programs conducted inside the park.*
- *MUST stay clear of all walking paths inside the park.*
- *MUST stay clear of synthetic soccer field at all times.*
- *NOT allowed to enter the tennis courts at any time (Tennis courts are considered pay tennis courts and payment **must** be arranged before photography takes place).*
- *Does NOT have exclusive use of park and parking lot.*
- *NOT allowed to close off access to and from the park and parking lot.*
- *Patrons have the right of way at all times.*
- *MUST be a cast and crew size of five people and under at all times. NO exceptions!*
- *NOT allowed to have a generator on site at any time. A generator on site requires a Park Film Monitor present at all times. If company is found to have a generator on site without a Park Film Monitor present by park staff, then staff has the authority to shut down photography session immediately on site.*

NOT A PERMIT

- *Any damages and/or citations issued to vehicles will be under the responsibility of the production company and not the Park Film Office.*
- *MUST leave area clean or better once all principle activity has concluded at the park.*
- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.
- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.
- Nudity is prohibited and not allowed in any Recreation and Parks facility.
- Film permits do not provide exclusive use of a park or recreation area.
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
- A 20 Foot unobstructed lane must be maintained between parked vehicles/trailers in all parking lots and Recreation and Parks roadways for emergency vehicle access.
- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permitee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.
